

KL Conference on Islamic Wealth Management

(KLC-iWM-2011)

“An international gathering of practitioners, scholars and experts to discuss and share their knowledge, expertise and experience on the principles, instruments and issues related to Islamic wealth management and financial planning to be held at the world’s leading Islamic financial centre...Kuala Lumpur.”

6-7 July 2011 ❖ The Royale Chulan Hotel, Kuala Lumpur, Malaysia

This 2-day conference will explore the key principles and avenues of Islamic wealth management which includes Islamic wealth creation, accumulation, protection, distribution and purification in the Wealth Management Cycle. This conference will enable individuals, investors and corporations to learn and understand more about the Islamic wealth management and financial planning from industry experts with wide spectrum of expertise and will be able to implement them. This conference will also be an excellent platform for networking and exchange of experience, ideas and outlooks about the industry and services.
