

LONDON
DUBAI

Official Launch Event

Tue 20th Oct

6.00pm (for 6.30 start)

Invitation

Ethos HumanCapital is a human capital consulting social enterprise covering search & selection as well as training & development in the Ethical / Islamic finance, SRI and 'responsible' venture spaces.

The event marks the **Official Launch of Ethos** prior to its expansion into the Gulf.

This event will stimulate an increased awareness of people development issues within the IF and SRI 'spaces', as well as the importance of training, development and effective strategic talent management. It also aims to promote London as a leading centre for human capital development and knowledge capital transfer in these areas

6.00pm Presentations begin (for a 6.30 start)

Speakers will be allocated 15 minute slots to present concise insights into particular subjects.

8.45pm Presentations end

Networking, dessert and coffee

10.00pm Evening ends

Refreshments and food will be served throughout the evening

Buffet dinner will be served

Expert speakers from government and senior professionals from the City will contribute their views on the following:
